

**Annual Report of Regional Leprosy Training and Research Institute,**  
**Raipur (C.G.)**  
**April 2014-March 2015**

RLTRI, Raipur established in the year 1979 with the aim to provide training, research and treatment for the leprosy affected persons under administrative control of Central Leprosy Division of DGHS.

The Institute is having 60 bedded indoor patient services and is providing daily OPD services. It is also having well equipped Laboratory and well trained technical manpower in the laboratory for skin smear examination and other laboratory investigation. We are also having well equipped Operation Theatre and an expert Orthopaedic Surgeon to undertake various kind of Re-constructive surgery for leprosy related deformity. We also carry out Polio Surgery in our Hospital. We also provide technical guidance as and when required.

We organize following Training Programs routinely in the field of leprosy.

1. Senior Regional Directors Training ( 3 Days)
2. National Level SLO/DLO/BMO Training (1 week)
3. Skin smear Technician Training from Chhattisgarh and other states (1 week)
4. Physiotherapist Training from Chhattisgarh and other states (1 week)
5. NMS/ NMA/ Supervisory Staff from Chhattisgarh and other states (5 Days)
6. Final year MBBS/AYUSH Students orientation training in Leprosy (1 day)
7. BPT Interns training (1 week duration)
8. MSC/BSC Nursing/ ANM Students orientation training in Leprosy ( 1 Day)

We have been assigned additional responsibilities of Regional Office of Health and Family Welfare (ROHFW) for the State of Chhattisgarh to monitor various National Health Programs including NLEP at state and district level and cross checking of beneficiaries like JSY, immunization status of children, ANC/PNC follow up, eligible couple using different contraceptive methods, work of ASHA (Mitani) at different level.
